THE SCHOOL COMMUNITY

University Preparatory Academy is a charter school accredited by WASC and authorized by the Santa Clara County Board of Education located in the suburb of San Jose.

We seek to enroll any student who is motivated and has a dream of going to a 4-year university and graduating with a 4-year degree. We are especially interested in working with students who may be under supported, overlooked, or under challenged in a large school environment, and would thrive in a highly intensive, supportive, and interpersonal environment.

UPA's overall vision is to empower the school community through powerful teaching and learning and to provide the students with the core academic and life learning skills to enable them to be positive, successful contributors to the community.

MISSION STATEMENT

University Preparatory Academy strives to prepare a diverse population of 7-12th grade students in the central San Jose area and surrounding neighborhoods to enter and excel in the best colleges and universities in the nation with the training to assume leadership positions in their community.
